Provider Manual update

November 29, 2017

Dear Provider:

We are excited to announce that the Provider Manual has been updated and will be available on the Optum website on January 1, 2018.

The manual has been revised to integrate the information from the Optum Clinical Model. Material from the Clinical Model Supplement 2017 will be incorporated into relevant sections of the Provider Manual to streamline the documents and allow providers more ease in accessing the information.

The Provider Manual is located on our website: optumidaho.com > "For Network Providers" > "Guidelines and Policies" > "Provider Manual".

If you have any questions, please contact your Network Manager. If you have clinical questions, please call **1-855-202-0983**, Option "1".

Thank you,

The Optum Idaho Team
