August 25, 2017

Dear Provider:

Optum Idaho is working in collaboration with the Idaho Department of Health and Welfare (IDHW) to further enhance Idaho's Behavioral Health Care continuum of care by investing in accountable, outcome-driven and recovery-centered programs and services. We are excited to continue this effort by implementing IOP as a service for Members with Behavioral Health and Substance Use Disorder (SUD) needs.

As a reminder, **the IOP Readiness Assessment closes Tuesday, August 29, 2017 at 5:00 p.m. MT.**

NOTE: Completing the Readiness Assessment Tool is a required element for becoming an in-network Provider of IOP.

The direct link to the Readiness Assessment is <http://respond.altarum.org/s3/iopassessment> or you can find it at optumidaho.com under "For Network Providers" and "Provider Trainings."

The Readiness Assessment is designed to assist your organization and Optum in determining your current resources, capabilities, and needs related to the development and implementation of IOP services. It should take approximately two hours for you to gather the necessary information and complete the tool.
