

PROVIDER ALERT

Phase II Intensive Outpatient Program (IOP) Webinar, Provider Readiness Assessment, & Training

July 14, 2017

Dear Provider:

Optum Idaho is working in collaboration with the Idaho Department of Health and Welfare (IDHW) to further enhance Idaho's Behavioral Health Care continuum of care by investing in accountable, outcome-driven and recovery-centered programs and services. We are excited to continue this effort by implementing IOP as a service for Members with Behavioral Health and Substance Use Disorder (SUD) needs.

In partnership with IDHW, Optum Idaho invites all providers interested in providing IOP to Medicaid Members to attend a webinar on **August 15, 2017 from 3:00 p.m. - 4:00 p.m. MDT.**

This web-based event will inform you about:

- IOP
- The Readiness Assessment Tool
- IOP Training Opportunities

Completing the Readiness Assessment Tool, developed by Altarum Institute, is a required element for becoming an in-network provider of IOP. If you completed this during Phase One of IOP, you are not required to take it again, though you may if you have additional information to provide.

Please use this link to register for the webinar:

Following the live webinar, the link to the Readiness Assessment will be available on the *optumidaho.com* website, under "Network Providers" and "Provider Training." The assessment will be open August 15 – August 29, 2017.

If you have questions, please call the Optum Idaho Provider Line at **1-855-202-0983**, select #1.

Thank you.
