

# PROVIDER ALERT

## Medicaid Expansion — Live Webinars November 01, 2019

**Alert Summary:** Optum is offering informational training sessions to support providers in understanding Medicaid Expansion. This alert provides training details and dates.

Dear Provider,

You are invited to attend Optum’s upcoming provider training session.

### Medicaid Expansion: What Providers Need to Know

In November 2018, voters passed a proposition to expand Medicaid in Idaho. The goal of Medicaid Expansion is to provide Medicaid coverage to individuals with incomes up to 138% of the Federal Poverty Level. Optum Idaho is working with the Idaho Department of Health and Welfare (IDHW) Division of Medicaid, state agencies, and other stakeholders to ensure a smooth implementation for all newly eligible Idahoans and Optum network providers to support Medicaid Expansion implementation, Optum is holding two live training sessions.

#### If you cannot attend a live session

If you are unable to attend one of the training sessions, an on-demand recording of the training will be posted on our Relias e-learning platform shortly after the webinars are complete. Details of the trainings are below.
