

PROVIDER ALERT

Coming June 24 and June 25, 2019

YES Navigation Series – Part V Live Webinars

Dear Provider:

The **YES Navigation Series** reviews information from the Optum Level of Care Guidelines, Fee Schedule and Provider Manual.

YES Navigation Series – Part V will be offered via two live webinars in June 2019. This training outlines the YES System of Care, details how the YES services work together to meet youth and families’ needs, and provides an overview of the five new services to the Idaho Behavioral Health Plan (IBHP) being implemented in June 2019. The webinars include time for a live Question & Answer session. An on-demand recording of the webinar will be posted on our Relias e-learning platform after the webinars have been completed. See training details below.
