

PROVIDER ALERT

Reimbursement Rate Increase for CPT 90792

October 1, 2020

Alert Summary: Reimbursement rate increase for CPT code 90792 Psychiatric Assessment with Medical Services.

Dear Provider,

Optum Idaho is increasing the reimbursement rates for CPT code 90792-Psychiatric Assessment with Medical Services which is performed by physicians, psychologists with prescribing privileges, nurse practitioners and physician assistants. The new rates will go into effect October 1, 2020. See the following table:

CPT Code	Description	MD	PhD	Master's	NP/PA
90792	Psychiatric Diagnostic Assessment w/Medical Services	\$177.10	\$150.53 PhD Prescribers	Not valid	\$150.53

ACE providers will receive their fee schedules via email from their Provider Relations Advocate.

For questions about these services or other services, please reach out to your [Provider Relations Advocate](#)—they will be happy to hear from you.

Thank you,
The Optum Idaho Team
