

PROVIDER ALERT

Fraud, Waste, and Abuse Prevention— Live Webinar Training September 22 & 24, 2020

Alert Summary: Optum is offering informational training sessions to support providers in understanding fraud, waste, abuse and related compliance and ethics topics. This alert provides training details and dates.

Dear Provider,

At Optum Idaho, we are committed to ensuring the integrity of the behavioral health care system of Idaho, and to help maintain integrity of our providers and agencies by offering comprehensive training in Program and Network Integrity for all providers in the network to understand and prevent potential fraud, waste and abuse in behavioral health services.

As a provider of services to Medicaid-eligible members and a vital part of the effort to prevent non-compliance and possible fraud, waste, and abuse, you are invited to attend our upcoming training. Upon attending this training, you will leave with a thorough understanding of various topics important in helping to maintain program and network integrity and prevent potential issues in fraud, waste and abuse, including:

- Current trends—what we're doing right in Idaho
- Ins and outs of the audit review process, including common audit findings
- How to avoid common errors
- How to file corrected claims or void claims
- Ongoing resources for you as a provider
