Optum Idaho's goals and intentions for the new year

Optum Idaho invites you to join us for our 2nd *virtual* **Provider Meet & Greet**. This is a chance to share information and connect with Optum providers around the state.

We'll discuss Optum's goals and intentions for the new year. We hope to start 2021 with gratitude and excitement as we support the mental and behavioral health of Idahoans. You will have the opportunity to share your experience and learn from others.
