

Join clinicians across Idaho using video conferencing for one-hour sessions that include brief lectures, case reviews, and resource sharing.

Free Series, Earn CEUs

Counseling Techniques for Substance Use Disorder

Begins January 7, 2021

Sessions meet the first and third Thursdays of the month from noon to 1 p.m. Mountain time.

A new educational series presented by [ECHO Idaho](#) tailored specifically to meet the needs of therapists and counselors in Idaho working with patients struggling with substance use disorder (SUD).

Designed for bachelor and master-level counselors (LCSW, LCPC, LMSW, LPC, CADC, etc.), this series is also open to others in the treatment field including physicians, recovery coaches, case managers, etc.

Participating in this online series, you will:

- Learn best practices in SUD treatment from experts in the field.
- Receive detailed feedback on challenging client cases.
- Collaborate with other professionals across the state to identify approaches and resources for advancing client care.

You will also receive free credit hours to satisfy CEU requirements as established for SUD clinicians and therapists.
