SUBJECT: Region 10 Opioid Summit - Free Registration for Idahoans

In response to the nation's opioid epidemic and particularly the impacts in the Pacific Northwest, the states of Alaska, Idaho, Oregon, and Washington collaborated to host the first-ever Region 10 Opioid Summit in 2019. Due to the overwhelming success of that summit, the four states are now excited to host our second Region 10 Opioid Summit!

The 2021 Region 10 Opioid Summit will be held virtually on Tuesday, August 3 - Thursday, August 5, 2021. This Summit is an opportunity for professionals from Alaska, Idaho, Oregon, Washington, Indian Nations, urban Indian health programs, and recognized American Indian organizations to meet, learn what others are doing to address the opioid crisis, and form new partnerships. Continuing Education Units (CEU) will also be offered to attendees. For information on this year's Summit and to see the agenda, please visit region10opioidsummit.org.

The Idaho Department of Health and Welfare, Division of Behavioral Health is excited to announce that we are supporting Idaho's Substance Use Disorder treatment and recovery support service Providers, Idaho tribal members and other interested parties' attendance at this conference by covering the registration fee for all Idahoans.
