

ROSC Equity Summit

HHS Regions 5, 6 and 10

A three-day interactive summit designed for behavioral health systems and stakeholders to address and navigate the complexities of addressing race equity and the intersection of recovery oriented systems of care. Participants will leave with an increased understanding of equity and the root cause of behavioral health disparities. It will offer health administrators, organizational leaders and community stakeholders a **clear, practical framework** for addressing inequities at the individual, system, and community levels.

June 15 – 17, 2021
