

# PROVIDER ALERT

## Idaho Psychiatric Bed and Seat Registry

March 1, 2021

**Alert Summary:** This alert is to notify Crisis Centers that effective April 1, 2021, Crisis Centers will be required to utilize the Idaho Psychiatric Bed and Seat Registry.

Dear Provider,

Effective April 1, 2021, Crisis Centers will be required to enter their current census two times per day in the Idaho Psychiatric Bed and Seat Registry (IPBSR). The Registry was developed by the Division of Behavioral Health to provide real-time information on the number, availability and demographic of psychiatric beds and crisis seats in Idaho.

The [IPBSR](#) is for mental health professionals, medical professionals and first responders who are aiding Idahoans in locating psychiatric inpatient treatment or crisis stabilization. IPBSR is an online platform that can be accessed by computer or mobile device 24/7/365.

The specific requirement will be included in the Optum Network Provider Manual to be published on April 1, 2021.

Please call your Provider Relations Advocate if you have any questions.

Thank you,  
The Optum Idaho Team
