

# PROVIDER ALERT

## Services Billable Outside of Bundled Rate Programs

February 15, 2021

**Alert Summary:** This provider alert is to clarify services that can be billed outside of the per diem or per unit bundled rate allowed for the programs: Day Treatment, Intensive Outpatient Program (IOP), Partial Hospitalization Program (PHP) Program and Intensive Home and Community Based Services (IHCBS).

Dear Provider,

Day Treatment, Intensive Outpatient Program (IOP), Partial Hospitalization Program (PHP) Program and Intensive Home and Community Based Services (IHCBS) have been implemented and a bundled rate for reimbursement for service delivery has been added to the Optum Idaho Fee Schedule. Please see the [Optum Idaho Provider Manual](#) for a full description of the programs and the components that are required to serve members in these programs. Based on the individual needs of the members, additional optional services may be included in their treatment plan.

Below is a list of related services that can be billed outside of the per diem or per unit bundled rate:

- Case Management
- Targeted Care Coordination
- Respite
- Peer Support
- Youth Support
- Family Support
- Recovery Coaching
- Child and Family Team
- Psychological/Neuropsychological Testing
- Medication Management
- Psychiatric Evaluation

If you have any questions, please reach out to your Provider Relations Advocate.

Thank you,  
The Optum Idaho Team
